

Community Impact Report

We call our community impact platform **LoveLifts**, because it reflects our drive to serve others and each other by offering a hand up.

WHY we give

Our Mission
is to improve the delivery of patient care and the lives of everyone we touch.

HOW we give

People

Our companies and corporate teams give thousands of hours of service to non-profits each year through volunteer outings, pro bono work, board service and mentoring.

Programming

Our companies mobilize their core business resources to provide programming that serves children and families around the world.

Partnerships

We partner with specific organizations to positively impact foster care, medical access and youth education.

Philanthropy

Through our companies and foundation, we provide grants, sponsorships and matching gifts to qualified non-profits.

WHERE we give

We focus our giving in the following two areas:

Improving
Access to Healthcare

Improving
the Wellbeing
of Young People
